

I.F.E.A. - Jean-Marie Laurichesse Research Award

- as revised in April 2018 -

The International Federation of Endodontic Associations (IFEA) established a Research Award in 1993. It was subsequently named the *I.F.E.A. - Jean-Marie Laurichesse Research Award* in memory of a Past President of IFEA, Dr Jean-Marie Laurichesse of France.

This Award provides an annual grant of \$US6000.00 maximum to support either one research project in Endodontics or it may be distributed amongst more than one applicant. An Award may also not be granted for a particular year.

The objectives of the Award are to:

- *Stimulate and promote research in the field of endodontics among investigators worldwide.*
- *Establish and/or strengthen professional and research collaboration amongst IFEA investigators.*
- *Disseminate internationally the excelling research activity of IFEA members.*

The application guidelines are presented below.

All applications must be submitted to the [IFEA Secretary](#), by email as a PDF file, by **December 31st** of each year.

Application Guidelines

Applications must be submitted in English and must include the following information:

1. Personal details of the investigator(s):
 - a) Names and addresses
 - b) Institutional affiliation
 - c) Supervisor's name and position (for student projects)
 - d) Short *curriculum vitae* (principal investigator only)
 - e) A recent photograph (principal investigator only) - *as a JPEG file attachment.*
2. Title of the research project.
3. Short introduction including updated information related to the subject.
4. Research objectives.
5. Research methodology (detailed description of the materials and methods).
6. Bibliography.
7. Budget required (in detail).
8. Previous experience and/or publications of the investigator(s) in the field of the proposed research (in the last five years only).
9. Letter of endorsement from the head of the institute where the research will take place.
10. An abstract or synopsis of maximum 150 words of the project - *as a separate PDF file.*

All applications for the Award must include a signed statement acknowledging that the Applicants agree to adhere to the following conditions if they are granted an *I.F.E.A. - Jean-Marie Laurichesse Research Award*:

- Upon completion of the project, recipients must present a full written report to the Chair of the IFEA Research Committee.
- If the project extends over more than one year, recipients are required to submit an annual report each year to the Chair of the IFEA Research Committee on his/her progress. This report will be due on 31st December each year.
- If the work is published in any form or presented at a scientific meeting, it should include the following statement of acknowledgement: ***"This work was supported by an International Federation of Endodontic Associations (I.F.E.A.) Jean-Marie Laurichesse Research Award"***.
