Secretary Torneck described that the Regent reports (Appendix 4) were listed on the web site and they were **accepted**. (Australia, USA)

Education Committee Report was reported by the chairman of the Education Committee (Sam Dorn) and accepted (Japan; USA). The report highlighted the use of the Educational Grant in the past year to support an endodontic educator of needy country (Fiji) to have her education in Australia for one year and she returned to Fiji to teach endodontics. Sam encouraged needy countries to apply for that purpose, and asked current members to give this information to any dental school in Asia or Africa that is not a member country to apply the grant.

Research Committee Chair (Rotstein) was not present but the Assembly was informed that the award recipient (2009) of the IFEA Research Award was Dr. Babak Nurbakhsh, Discipline of Endodontics, University of Toronto. His project was entitled "Cone beam tomography investigation of mucositis in the antrum associated with endodontic disease in maxillary teeth". The assembly asked Maggio to post the protocols of the Award on the web site.

The Chair of the 8th World Congress held in Athens October 6-9, 2010, Panopoulos reported that the number of the scientific presentations was 241 (7 plenary lectures, 25 country representative lectures, 23 free lectures, 33 oral presentations, 147 poster presentations, and 6 video presentations), 34 exhibition booths, more than 900 participants from 61 countries. He expressed his thanks and that he will submit the final report by e-mail.

The Chair of the 9th World Congress (Suda) to be held in Tokyo reported with announcing the date of the Congress as May 23rd to 26th, 2013 together with the Japanese Endodontic Association (JEA) and Joint Scientific Meeting between KAE and JEA (Appendix 5). He stated that it is his honor to host the Congress in Japan, that title of the Congress is "Shaping the future of Endodontics", and that the venue is Tokyo International Forum. Information on this Congress is already on the JEA web site (<http://www2.convention.co.jp/ifea2013>). The secretariat is Japan Convention Service. The Chair also described the size of JEA and facilities of Tokyo International Forum, and appreciated the LOC of Athens Congress and Hellenic Endodontic Society for the successful Congress.

The credentials for membership of the Russia (ESRD) were presented to the Assembly (Australia: India) and unanimously **accepted** and approved for membership.

A member from Russia stated the investment by his government into health and education field and thanked to be a new member.

The credentials for membership of the Brazilian Endodontic Association (SBE) were presented to the Assembly (Australia: France) and unanimously **accepted** and approved for membership.

For the next (10th) WEC venue, among the three submissions to hold the World Endodontic Congress (the 10th WEC) in 2016, Spain had withdrawn and Dr. Gopi Krishna from India and Dr. Peet VAN DER Vyver from Republic of South Africa (RSA) presented official presentations on behalf of their endodontic organizations. They discussed venues, transportations, tour and cultures etc. The choice was determined by a closed vote of the member countries. Republic of South Africa (RSA) was chosen for the 10th WEC in 2016 and **approved**.

A nomination slate for new Regents and Officers were presented to the Assembly. As no other nominations were submitted in accordance with the ByLaws the slate was accepted and approved. The Officers for 2010/11 are: Past Pres. - Tony Hoskinson, President - Joe Maggio, Pres. Elect -

Patrick Bogaerts, Secretary - Sung Kyo Kim, Treasurer - Mark Wotzke.

The Regents for 2010/11 are: Africa - Clive Sidley, Asia - Hideaki Suda, Europe - Miguel Minana, N. America - Barry Chapnick, Oceania - Alan Nerwich, S. America - Ricardo Lalis

Committee Chairs are, Education - Sam Dorn, Research - Markus Haapasalo.

President Maggio gave a gift (a crystal ice bucket) to Past President Hoskinson for his contributions to IFEA as the president. He noted that the number of countries attending the Athens Congress was 61 and congratulated IFEA as the principle world meeting in endodontics. He stressed the need to improve the education and executive committee to make a better organization. He proposed a possible new category of membership that would allow countries with fewer members to join IFEA. He also outlined a committee of AAE (with its influence and fin

ancial resources) be a part of the Communication Committee of IFEA. They would provide international collaboration when asked. He finally expressed his pleasure to work with the executive officers.

The date of the next AGM of IFEA was scheduled in conjunction with 15th Biennial Congress of the European Society of Endodontology (ESE) for September 14-17, 2011 in Rome, Italy.

The meeting was adjourned at 5:30 pm.

Respectfully submitted by

Luke Sung Kyo Kim, Secretary, IFEA
