IFEA Immediate Past President's Report - 2019

BOD meeting, Vienna, Thursday, September 12, 2019, 09:00am
AGM, Vienna Thursday, September 12, 2019, 01:00pm

Dear Colleagues,

It's with pleasure that I present the Immediate Past President's report for 2019.

Soon after the completion of the 11th IFEA WEC Congress, I liaised with the Local Organising Committee on the finalisation of the Congress accounts and completion of other business related to this Congress. Once again, I thank all concerned for making the 11th WEC one of the most successful ever. I have also offered my advice when sought in relation to the organisation of the 12th WEC in Chennai in September 2020.

I have also assisted the past Secretary in the drafting of the minutes for the Seoul BOD and AGM minutes, and offered advice to the incumbent Secretary when sought.

My time has also been occupied with assisting fellow members of the Board of Directors and the Chairpersons of the Education Committee and the Research Grant Committee in the drafting of and completion of the IFEA Education Award Application Guidelines, the IFEA Research Award Committee & Guidelines Policy, and the IFEA Membership Application form, as well as the proposed changes to the IFEA By-Laws, that are to be presented to members at this meeting.

I have continued my role as the **IFEA website co-ordinator**, updating it with forthcoming events, Officer reports, updated documents, and historical information pertaining to IFEA and its members. My thanks are extended once more to *B&L Biotech* for sponsoring the website, and to *Officite* for the website management. At the end of my term as Immediate Past President, I shall also be relinquishing my duties as the website co-ordinator and invite any member that may be interested in offering their services for the position, to please contact the Secretary.

It's indeed been an honour to have once again served IFEA, particularly with the incumbent Officers and Board of Directors.

Respectfully submitted,

Mark Wotzke
