

PRESIDENT ELECT REPORT 2025- 26

Dear Fraternal Colleagues,

It has been an absolute pleasure and privilege to be part of IFEA family over the years. I had the opportunity to be the Secretary for two terms and served under the Presidential leadership of Dr. Catherine Ricci from 2020 - 2022 and Dr. Alan Nerwich from 2022 - 2024.

In the past two years as President-Elect, I have participated in the various online Executive Committee meetings and provided support to all the decisions of the Executive led by our current President Dr. Elisabetta Cotti.

I was also nominated to be the IFEA Co-ordinator for World Endodontic Day celebrations. We conducted an online Global Endodontic Symposium on October 16th, 2025 worldwide for the benefit of all dentists. Dr Jeeraphat Jantararat and Prof Jose F Siqueira Jr shared their insights by two webinars that was telecast on Oct 16th 2025. This event was organized on our exclusive online portal wherein any interested dentist could login and register free of any charge for the symposium to commemorate the World Endodontic Day.

We also created an online social campaign celebrating World Endodontic Day with special creatives designed for IFEA. These creatives were circulated on all social media platforms of IFEA and of our member societies.

We are looking forward for your active support in making the forthcoming IFEA WEC 2026 at Sydney a grand success. Overall, it has been a great team effort by all the IFEA Executive members, Board of Directors and our able Secretariat in furthering the Global outreach of IFEA.

We look forward for your active participation in the years to come to make IFEA and the world of endodontics stronger.

Respectfully submitted.

Dr. Gopi Krishna
President-Elect - IFEA
